

INVITATION TO COMPETITION - SUMMER COMPETITION IN OULU

Fencing club of Oulu has the honor to invite you to the 3rd Summer Fencing Competition 8th – 10th June 2007.

The competition is held for both foil and epee in both individual and teamseries for seniors. Year 2006 both the epee and foil competition had 36 fencers. Last year there were 37 fencers in epee and 30 in foil. The junior series are for individual foil only.

The winner of ladies' epee series of the Summer competition is rewarded with Helena Somervalli -memorial trophy, which is a challenge trophy from this year on.

Summer competition of Oulu is also part of Merikoski cup (<http://merikoski.oulunmiekkaileuseura.fi/index.php>).

The fencers are expected to have licences and equipment which match the rules of Finnish Fencing Association.

FORMULA

All competitions are in mixed series.

In individual series the division to preliminary rounds is done according to Finnish Fencing Associations official ranking. There will be one preliminary round with rounds of 5, 6 or 7 competitors.

The formula of the teamseries is the following:

- For less than 6 teams the competition will be in rounds.
- For 6–8 teams competition will be direct elimination.
- If there are more than 8 teams, the teams will be divided into A and B series according to the results of the preliminary round of individual series (the total of three best results of the team) so that the teams with highest scores are in A series. Both series will have a direct elimination. The number of teams in A- and B-series depends of the total number of teams:

number of teams in total	number of teams in A series	number of teams in B series
9	6	3
10	7	3
11	7	4
12	8	4
13	8	5
14	8	6
15	8	7
16	8	8
